## Call for *Perspectives* – deadline 12<sup>th</sup> February 2021

### **ANZSIL *Perspective* 5<sup>th</sup> ANNIVERSARY EDITION (20<sup>th</sup> Edition)**

The editorial team of *Perspective* are delighted to recognise that 2020 was the 5<sup>th</sup> year of our publication. We plan to celebrate this in February 2021 which will be our 5<sup>th</sup> Anniversary Edition. We now invite International Scholars and Practitioners to contribute short commentaries (800 – 1000 words) on areas of interest in international law for publication as a *Perspective* to our membership and on the new [ANZSIL website Perspective webpage](#)

In our November edition we heard from international scholars and practitioners in Four Perspectives focussing on the Brereton Report, Brenton Tarrant and Trans-Tasman Prisoner Transfers, transnational feminisms relating to trafficked women on death row and a perspective on the ship breaking industry.

Next year we will also focus on making our new open access format more accessible and we will pilot a student internship.

We recognise the continuing importance of maintaining conversations and discussions on other topics with an international perspective, through diverse expert voices.

We now invite papers for the 20<sup>th</sup> Edition **by 12 February 2021**. These can be broad or specific papers. We want to engage with all our interest groups and membership and to support the active collaboration and dialogue between members and others in the international law community on topical issues of interest in international law.
